

## Tribute To Fred Stoll

Tent Coordinator

HOPE Ministries International

1999-2017

On March 5, 2017, Fred Stoll, husband, father, beloved friend, and faithful servant of our Lord, entered the presence of his Savior and Lord.

From the first time I met him, I was overwhelmed by his phenomenal ability to pull together and motivate people. His skill at engineering and building, while uniquely professional, was exceeded by his passionate heart for God, specifically his intense and earnest prayer life.

For almost 17 years, Fred loved and led the growing HOPE Ministries International tent ministry, serving as its coordinator and endearing himself to pastors across the nation. I never had to wonder where things would be when I arrived in town for a crusade, if Fred had been there ahead of time. I confidently knew that a significant prayer effort would already be in place and people would be appropriately focused on reaching the lost. He was not merely a tent coordinator. He was organizer, builder, intercessor, evangelist, preacher, and mentor rolled into one.

Fred's passion for the tent ministry can be seen in his thorough preparation for the ministry's continuation. Over 6 years prior to his death, Fred involved his daughter and son-in-law in the ministry, passing his knowledge and heart on to them.

Painfully funny, passionately fervent, and powerfully focused, Fred Stoll will be deeply missed by ALL who knew him. Our earthly loss is certainly heaven's gain.

A fight well fought  
A race well run  
A life well spent  
A crown well won
